This video is a comprehensive, beginner's guide to U.S. Nationality, State Citizenship, and how U.S. Citizens are property. Below are timestamps to sections of the video, as well as all the links referenced.

CORRECTIONS: Civil Rights are mistakenly called constitutional rights as they are given by the constitution (14th amendment), but are totally opposite of God-given Rights that are Constitutionally PROTECTED.

The affidavit should say the city and state in which you're domiciled, not Los Angeles California.

A W-4v can be sent instead of a W-4, but some employers won't accept it. Fill out numbers 1-3 on the W-4v normally (put the SSN). Leave 5 and 6 blank unless applicable. Check 7.

If you need to fill out a W-4, do not fill it out as I described in the video. Instead, as described in the form's instructions on how to file as exempt, write "Exempt" under 4c, and other only fill out steps 1a, 1b, and 5. Always put your zip code and SSN in brackets.

When filling out a W-4 or W-4v add "Done in Good Faith" at the end of your signature.

For state taxes there are equivalent forms called "Employee's Withholding Allowance Certificate" for each state.

When rescinding a ticket you can also include "REFUSED" and "CEASE AND DESIST."
